To Whom It May Concern:

RE: MAXI SECURITY

We hereby confirm that MAXI SECURITY are accredited Bosch Security Systems installers.

We are confident that they are proficient with all the requirements to ensure design compliance and mandatory regulation to certify, install and commission a complete fully functional system.

Our company has a long standing professional relationship with MAXI SECURITY and will endorse them for the specified project.

Please contact me directly should you require any additional information.

Yours Sincerely

M.S. ROTHMANN

Senior Account Manager
